Building Permit Application

Notice: If you are subdividing (dividing one existing lot into two or more lots) you must follow the Mona Subdivision Procedure before applying for a Building Permit.

*All Building Permit Applications must be received **at least** 2 weeks prior to the Planning and Zoning meeting. Applications received past this deadline may not be considered until the next month's meeting. Planning and Zoning meetings are held on the first Wednesday of the month at 8:00 p.m. in the City Building.

BUILDING PERMIT REQUIREMENTS

- One copy of the deed to the property (legal description). This can be obtained from the title company.
- A plat map (can be obtained from the county recorder) containing your lot.
- 3 copies of your building plans: 1 paper copy (must be a minimum of 20 x 30), 1 copy on a disc, and 1 copy emailed to plans@monacity.org. Building plans must include a foundation plan with seismic strappings.
- Site plan showing the house location with setbacks and side yard measurements:
(30' min. front setback, 10' min. per side setback, 30' min. for both sides of corner lot)
- Return paperwork to the city office **at least** 2 weeks before the planning and zoning meeting. This allows time for the paperwork to be inspected before the meeting.
- Attend the Planning & Zoning meeting that your application is being considered.

If your lot does not have water dedicated to it (Subdivisions prior to 2005) you must also complete the following:

- Make an appointment with Mona Irrigation Company (Shawna Keyte – 623-5072) to pay irrigation hookup fee and to sign the Water Rights Dedication Agreement (available online).
- Attach the Water Rights Dedication Agreement, receipt of payment to the Irrigation Company, and copy of Irrigation Water Certificate-signed by all parties.
- Proof of culinary water for lot.

PLEASE READ CAREFULLY

I agree to comply with all applicable City, County, and State Building Laws and Ordinances. The representation in this application are true and accurate. This permit becomes null and void if work on construction authorized is not commenced within 180 days, or if construction or work is suspended for a period of 180 days at any time after work is commenced. I certify that if I dig across a roadway, I will obtain a Mona City Digging Permit. Occupancy of structure is prohibited until after final inspection, and compliance with all regulations stipulated by Planning and Zoning and/or Mona City Council, and an occupancy permit is given.
