WELCOME!

We would like to welcome Lori Henrie as our new Planning and Zoning Secretary!

I'm excited to be working with the city of Mona and getting to know all my neighbors better in the community. I've lived in Mona for 5 years with my husband, Tom, and my two boys. Prior to Mona, we lived in Nephi and also in Sandy, where I grew up. I graduated from the University of Utah with my degree in Exercise and Sports Science and love watching Utah football. When I'm not at work, I enjoy having fun with my family hiking, exploring, boating, camping or just plain hanging out. My goal for this summer is to make it to the top of Mt. Nebo.

Lori Henrie
Mona City Planning & Zoning Secretary

Library News

School's out but don't stop reading! Our summer hours are Tuesdays 2-5 and Wednesdays 10 to 1 starting Wednesday, June 1 thru Wednesday, August 10. **Story Time** will be Wednesdays at 10:30 from June 1 to July 27.

The following is from USU Extension Office--

Summer reading should be a priority because it is critical to a child's ability to retain information learned that year. And also to grow in knowledge and thinking skills for the coming year. When our kids read on a daily basis, they are able to maintain literacy skills.

Just as our body needs exercise to stay in shape, reading is the exercise our brain needs. If you don't exercise, you lose muscle, and if you don't read you will lose literacy skills.

Research shows that if students don't read over the summer they can lose at least two months of reading development. On the other hand, if they read over the summer they may gain a month of proficiency in reading. Reading helps them stay on track for their entire education.

Set some fun summer reading goals and let your children earn a reward.

Happy reading--
